Carla Chiaro Malbec

Dry, Red Wine. 100% Malbec. It is kept in French and American oak barrels which give unique features to this wine. It has great aromas, deep colors and long-lasting persistence and roundness in mouth. Intense color, with shades from purplish red to black. Good balance between red fruits and chocolate and coffee notes. The mildness of its tannins makes it special, long and with a slight liquor taste, but with a strong character.
